### ***Partners For Success Parent Workshop***

January 4, 2012

Dear East-West Families,

The East-West School of International Studies is proud to present our first mentoring program for middle school students, Partners for Success. As an earlier letter indicated, your child was selected to be a part of this program based on academic and social data that has been gathered and analyzed by Ms. Panday (Assistant Principal) and Mr. Diaz (Guidance Counselor).

Partners for Success' mission and goal were precipitated by Mayor Bloomberg's comprehensive effort to tackle disparities between young African American men and their peers. His program is titled Young Men's Initiative.

Please join us, with your child, for our first Partners for Success Parent Workshop to learn more about the mission, goals, and expected results. This is also an excellent opportunity to meet your child's mentor/mentee.

*Date: January 19, 2012*

*Time: 6:30 PM to 7:30 PM*

*Location: Room 418*

*Presenters: Mr. Sherman, Ms. Panday, Mr. Seo and EWSIS' Guidance Department*
