East West **Blended** **Learning** Plan

- Chancellor's main points for reopening the school building
- Review our proposed plan for the 20-21 school year
- Take your feedback, as well as address some of your questions and concerns (please write them down in the comments)

“Our plans must be nimble so we can adjust and update as needed, as the public health landscape continues to evolve.”

“

Richard Carranza
NYC DOE Chancellor

From the **Chancellor**

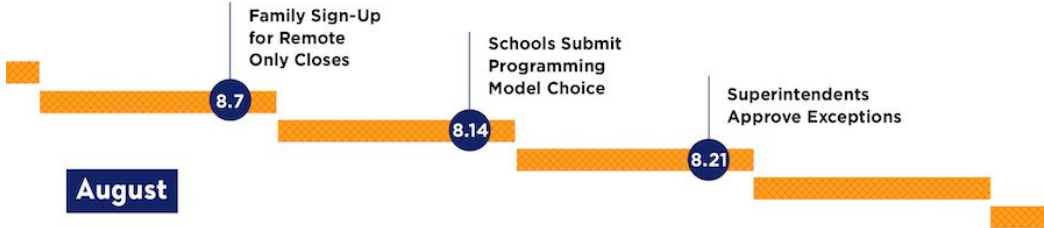

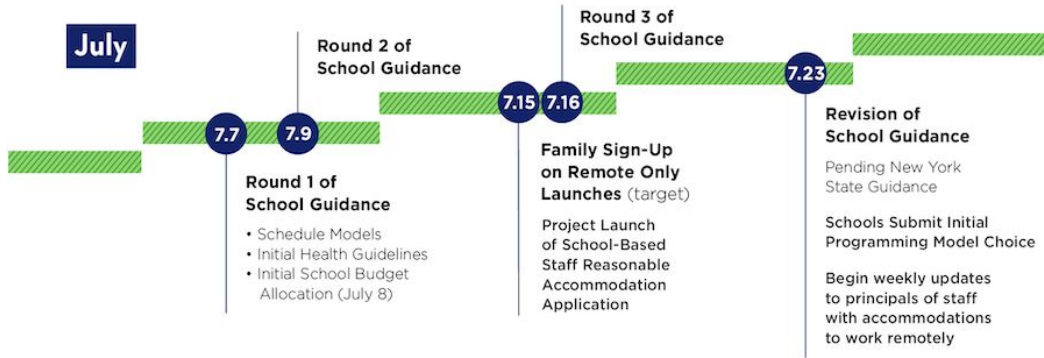

- Students will be learning 5 days a week through a blended learning model.
- Any family can choose all-remote learning, for any reason, at any time. Additional info is forthcoming.
- Families will have the option to review this decision during set time periods. At that time, they may register their child for in-person instruction.

Blended Learning Overview

Health & Safety

- Blended learning students can expect to be in the building at least once a week.
- These students will be grouped and assigned specific days for in-person learning, limiting the number of students and staff in the building on any day.
 - No large group classes (PE, Lunch etc.) will take place in the building.
- “Grab-and-go” lunches will be available for students as they leave after period 5.
- Each room has a maximum capacity that we are staying
- Middle school parents are staying in the same classroom for the day.

Blended Learning Overview

Academic

- One day of full remote instruction per week so that all students can be together to promote community, cohesion of instruction and social-emotional needs of students.
 - Teachers can do live instruction and learning activities with the entire class.
- In-person learning prioritizes core classes (ELA, Math, Science and Social Studies) and service allocation.
- In building and online support for students for outreach.
- Students would have an in-person schedule for periods 1 – 5 only.
