### Meeting call to order 7:15

Discussion of SLT members at large

- Mrs. Patterson and Culicerto will be added on to the team as UFT members.

Bylaws:

- Mr. Cromer: Did we finalize the bylaws?
- Polly: You must sign it?
- Mrs. Nicodemi: Reads changes to the bylaws.

Review of old agenda (October)

- Mr. Cromer: We talked about parent sub-committee at the last PTA meeting. Are there any volunteers?
  - Mr. Cromer: Talk to parent coordinator and set up email group list.

Any new issues or questions:

- Ms. Tillet: When are we getting a new elevator?
- Mr. Cromer: The incident on Monday had 15 teachers and students in the elevator when the smoke began.
  - Councilman Koo will talk to the Mayor about our needs for a new elevator.

HONOR

EXCELLENCE

CURIOSITY

CELEBRATION

- Mrs. Curzio: Is there someone we can write to?
  - Mr. Cromer: SCA, borough president
    - Draft a letter from SLT, PTA and start advocating for a new elevator.
    - Have a letter after Thanksgiving, Tuesday or Wednesday

Walk through from the Superintendent office on December 7<sup>th</sup>, 2017.

Mrs. Wong: Did the letter go out to that parent?

- Mr. Cromer: A letter was returned.

Mr. Cromer: This Monday we will be looking at our overall performance data and make adjustments to future strategies.

- Currently: Tutoring before, during and after school.

Mrs. Wong: Do we have access to iPlan?

- Mr. Cromer: We will be giving access to parents.

Mrs. Tillett: What are the changes to graduation?

- Mr. Cromer: We secured a date at Queens College.

Mrs. Curzio: Did we find out about more science programs coming into the school.

- Mr. Cromer: Recently spent time and Edison and will have teachers from EW going there to develop our robotics.
- Mrs. Curzio: My daughter was looking for an engineering programs or anything STEM.
- Mr. Cromer: We have to figure out what we prioritize. We can set-up courses and have partnership with outside entities.
- Ms. Tillett: We should highlight our STEM related areas on our website.
- Mr. Cromer: We have the pieces here but we just need to plan it and organize it.
  - AP, STEM day, Science Fair.

Ms. Tillett: Late homework policies. If you bring in homework a day late it's marked at zero. Can we revisit this policy?

**Motion to adjourn: 8:03.**
