UNIFORM POLICY UPDATE

Dear Parents,

Please see the following update in regards to our school uniform policy as we continue to improve school policy and reflect on input from our parents and staff.

Please note the following:

1. We are happy to report over 90% compliance with our students wearing school uniforms daily.
2. Old uniforms are still grandfathered in. That means if you only have the old uniform and have not been able to receive or purchase the new uniform, you may simply wear the old uniform without any penalty until you get your new uniform. (There is no October 1st deadline)
3. We have started celebrations for students and planning scheduled days during the school year when we will have other themed days, i.e. College Day in which students will not have on school uniforms.
4. Any uniforms already ordered by parents should be available to pick up or delivered to the parent by uniforms@ewsis.org.
5. New uniforms can be ordered by Ideal Uniforms online at www.idealuniforms.com/ewsf or in their Valley Stream location at 175 Rockaway Avenue, Valley Stream NY 11580.
6. Any parent who has difficulty affording a uniform may reach out to our Parent Coordinator, Ms. Schnall to check for availability on prior gently used uniforms.

Thank you for your cooperation and understanding.

Sincerely,

Anthony Cromer
Principal
