RE: Mandated After School Reflective Conferences

Dear Parents and Guardians,

Welcome to the 2018-2019 school year!

As a New York City public school, we pride ourselves on creating a safe, supportive, inclusive and equitable learning environment for all students. Consistent with that endeavor, we are starting a new initiative this year.

Students who are not meeting the NYC Department of Education Citywide Behavioral Expectations *To Support Student Learning* will be notified daily that they are to report to room 404E at the end of the school day, for mandated after school reflective conferences. These conferences will be facilitated by a staff member and will enable students to reflect on their behavior and on how they might improve.

Parents will receive a phone call during the school day informing them that their child will be dismissed at 3:20 p.m.

Should you have any questions, do not hesitate to contact the undersigned by telephone or by email.

Very truly yours,

Yakira Cordero
