This year, we will offer summer school via remote instruction, allowing us to provide more students than ever before with the academic supports they need and a bridge from this school year to the next." iLearnNYC

This is the summer school online platform. All work needs to be done through this platform. All classes will be listed on here beginning July 6th.

https://docs.google.com/document/d/1-RZZDOOZwSvALjikIOV_PF34vaimDYygPIAfKD1Q2a4/edit

How does this work?

All students must log into iLearn during assigned time of class.

Each class is 1 hr. And 40 mins.
There will be a 20 mins live session each day for the class.

If you are scheduled for a course you did not pass for Semester 1, you must attend all 6 weeks of summer school.

If you are scheduled for an NX course because you were unable to complete benchmarks for this semester, you must complete the missing benchmarks provided to you. Upon completing all benchmarks, you have completed the coursework. This means that you can essentially be in summer school for the course between 3 days or 6 full weeks.

Please check
your email that
will state which
classes you will
be registered
for.
