What's Going On This Week

MLK Day 1/18/21

Dr. Martin Luther King, jr can be regarded as one of the best orators (public speakers) and leaders in world history. Dr. King is considered to be pivotal in the Civil Rights Movement. At a time when our country was still divided over segregation and racial issues, Dr. King used successful strategies of non-violence and peaceful protest to win over the hearts and minds of people across the country against racism. His March on Washington and March in Selma, led to both the Civil Rights Act of 1964 and the Voting Rights Act of 1965, helping African Americans gain more rights in our country.

QUOTE: "We must accept finite disappointment, but we must never lose infinite hope."

Inauguration Day 1/20/21

As some of you may know, there was an attack on the nation's Capitol Building on 1/6/21 as Congress met to count Electoral College Votes and possibly object to Joe Biden's victories in Arizona and Pennsylvania. With five people being killed and many policemen injured, this was indeed a disheartening act for our nation.

Despite this frightening act, our Congress was not deterred, and decided to meet and continue to follow the counting of Electoral votes. This then led to the official acceptance of Joe Biden as next president of the United States. Since 1800 starting with John Adams and Thomas Jefferson, there has been a great U.S. tradition in the Peaceful Transition of Power from one President to the new President. Even if President Trump is not present at this Inauguration, this tradition will continue, making Joe Biden our 46th President of the United States.

East-West Alumni Speak

What I wish I knew when I was at East-West...

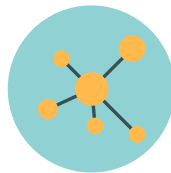

Elaine Keung

“How easy high school was because when you are in college, you are on your own. East-West teachers really do care, that’s why they always push you to do your best.”
Class of 2011

Wendy Li

“It is better to take as many college credits courses now rather than later.”
Class of 2020

Alexis Tendilla

“Engage in more independent projects in whatever career path I am interested in.”
Class of 2018

Peter Lin

“Take advantage of the AP and college courses at EW because it will save you a lot of money in college.”
Class of 2020

Enjoy
your
day!

Faith is taking
the first step
even when
you don't
see the
whole
staircase.
